Senior Photographs

It's that time of year: fall, football, school supplies and . . . senior photos! For those of you new to this tradition, the information below should help you navigate senior portraits. Senior portraits do not require a professional photographer. We will have Dorian Studios, our school photographer, take photos at the beginning of the school year and that photograph can be used in our yearbook. If you do not submit a photo or your submitted photo does not meet the outlined specifications below, the photo taken at the beginning of the year will be used. We are excited to receive your student's photo and want to make the process as painless as possible. If you have any questions, please feel free to call 503-365-4800 and ask for Jessica Dayson or Eric Rose-Phillips. We'll gladly answer them for you!
