Early College High School Enrollment Procedures

Application Process:

Early College High School (ECHS) is a non-traditional schooling option for students within the Salem-Keizer School District. In partnership with Chemeketa Community College, Salem-Keizer offers ECHS to students in grades 9-12. They will enroll in college preparatory high school courses with the expectation of attending CCC classes their junior and/or senior year at the expense of the school district.

In order to be considered for ECHS an applicant must demonstrate passing grades with a C or better, good attendance, and be a positive role model.

Incomplete applications will not be processed

1. **Application Packet:** All students interested in participating in ECHS must complete the following forms:
 1. ECHS Student/Parent/Guardian Information
 2. ECHS Student Form
 3. Teacher Recommendation
2. **Interview:** Interviews for fall of 2018 will be held on April 12th and April 17th from 4:30-7:00 PM. Individual student interviews will last approximately 1 hour, and will be scheduled through the main office.
3. **Placement Test:** All incoming freshman are expected to take a placement test before beginning class at ECHS. This test is administered during the interview night and students are allowed to take it before or after their interview. The placement test is used as a tool for staff to provide support to new students and **IS NOT** used for admissions decisions.

Is AVID (Advancement via Individual Determination) for YOU?

What is AVID?

AVID is a regularly scheduled elective class that prepares students with academic potential for success in college.

What are AVID student expectations?

AVID students are expected to maintain at least a "C" average in all classes, to study a minimum of two hours per night, and to enroll in college preparatory classes. The AVID student's goal is to be accepted into a four-year university. AVID students are expected to be role models both at school and in the community.

What are AVID parent expectations?

AVID parents are expected to encourage their students to achieve academically, support their student in maintaining excellent attendance, and to be an active participant in the activities of the AVID program.

What happens in the AVID program?

The AVID program is three pronged:

1. Students receive academic instruction in writing and in the following skills - note taking, studying, test taking and organization;
2. Students receive academic support from tutors through collaborative groups and peer counseling;
3. Students are motivated to pursue academic excellence through cultural and college field trips, classroom guest speakers, and AVID team building.

How do you recognize an AVID student?

The AVID student carries a notebook, takes notes in all classes, is prepared for class, is a positive role model for others, and is "on-track" for college.

What are AVID results?

Over 90% of AVID graduates have enrolled in college. After two years, most of the students who started college, are still in college.

Where can I find out more about AVID?

A good place to start is the about section at www.AVID.org
